D. GEORGE SWEIGERT, C/O
336 BON AIR CENTER #341
GREENBRAE, CA 94904

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
RICHMOND DIVISION

ROBERT DAVID STEELE, ET. AL.

Plaintiff,

vs.

JASON GOODMAN, ET. AL.

Defendant.

Case No.: 3:17-CV-601-MHL

DECLARATION OF D.
GEORGE SWEIGERT

FIFTH DECLARATION OF D. GEORGE SWEIGERT

Now comes D. George Sweigert, a non-attorney layman and California licensed Emergency Medical Technician, to affirm and attest to the below facts under penalties of perjury. The undersigned attests and affirms that all attached exhibits are true and accurate copies of sources (such as Internet web sites).

I. JASON GOODMAN'S ASSOCIATION WITH QUINN MICHAELS

Defendant Jason Goodman has published yet another YouTube video production with the "CrowdSource The Truth Researcher" Quinn Michaels (Korey Atkin) directed at the undersigned ("Elvis Presley - The Devil in Disguise? The King, The Covenant, and the #TimePhoneHack", 5/26/2018). [Exh. 1].

During the course of this video, defendant Goodman holds up to the camera and allows his audience to read the FIRST DECLARATION OF D. GEORGE SWEIGERT (Dec. 51, 5/22/2018).

It appears that nearly 40-50% of this video is directed at discussing the undersigned and the document located at [Dec. 51, 5/22/2018]. During the YouTube video Mr. Goodman comments:

36:28: GOODMAN: "The example that I am thinking of right now. It's got to do with our same favorite friend, the guy [the undersigned] who is sending people to visit you there in Shasta". [Exh. 1].

DENIED. The undersigned **DENIES** that he has directed, guided or encouraged individuals to visit Mr. Michaels (Atkin) in any location, at any time, for any purpose. This insinuation by Mr. Goodman is denied in its entirety in all its forms. The undersigned does not engage in the practice of "sending people" to meet anyone. This notion is completely false and is denied by the undersigned in its entirety.

Is Manuel Chavez III Offering Instructions for a Money Laundering Scheme on [Steemit.com](#)? – PART 2

<https://www.brighteon.com/5851547933001>

Quinn discovered a Discord chat message from Manuel Chavez III (Defango) that seems to indicate Chavez suggesting a method to "make money out of thin air" & launder it through a complex system of cryptocurrencies, automated procedures & exchanges. If in fact he is doing this, where is the money coming from? Is someone being scammed? We just don't know but now you can examine his own writings to try to figure it out.

Subject: Evidence Preservation Notice

TO WHOM IT MAY CONCERN:

I represent Plaintiffs, Robert David Steele and Earth Intelligence Network ("Plaintiffs"), in connection with an action pending in the United States District Court for the Eastern District of Virginia, Richmond Division, styled Robert David Steele and Earth Intelligence Network v. Jason Goodman, Patricia A. Negron and "Queen Tut", Case 3:17-cv-601-MHL (the "Virginia Litigation").

On December 1, 2017, Mr. Steele received the attached email via a general business email box, contact@unrig.net.

The email appears to have been sent by someone or something called "mailto:spoliation-notice@mailbox.org".

Please be advised that my clients are not affiliated or associated in any way with the sender of the email or with any organization putatively called "mailbox.org". My clients had no input in the preparation of the email. My clients do not agree, adopt or endorse in any way the statements in the email. My clients did not request that any email be transmitted to "Ladies and Gentleman" at any "offices" for any reason. Indeed, my clients had no knowledge of the email until it was received at contact@unrig.net.

Specifically, my clients did not and do not request any "Evidence Preservation" on any records "held by your organization" for any reason. I also point out that discovery has not begun in the Virginia Litigation as there has been no Rule 26f conference.

The email states that the “target of this evidence preservation” is Jason Goodman, CHELSEA MERCANTILE BUILDING, 252 7th Avenue, No. 6S, New York, NY 10001. The email further states as follows: “Of primary concern is any documentation in your possession that would indicate that Mr. Goodman is authorized to conduct business operations in this apartment. This would include copies of certificates of occupancy, business licenses, etc. Mr. Goodman collects electronic wire transfers to support a YouTube conspiracy and hoax show known as "Crowd Source The Truth". Mr. Goodman is presently a defendant in a federal lawsuit in the courts of Virginia for activities related to this show. Allegations range from slander, defamation to cyber-stalking. Below is a link to the most recent production of his show that purports to question the law enforcement investigation of the Federal Bureau of Investigation (FBI) and Las Vegas Metro Police Department (copied as a courtesy).

<https://www.youtube.com/watch?v=2FQUWgsZYa4>
<https://www.youtube.com/watch?v=2FQUWgsZYa4> During the summer of 2017 Mr. Goodman apparently hosted an individual in this apartment at No. 6S known as George Webb Sweigert as a room-mate, business associate, friend, or other unknown relationship. During broadcasts of Mr. Goodman with Mr. Sweigert an incident was created known as the "dirty bomb hoax" that led to the emergency closure and shut-down of the Port of Charleston, S.C. which prompted the FBI to conduct an investigation of "GEORGE WEBB", as reported in the New York Times and CNN (June 2017). The foregoing underscores the litigation needs for evidence related to this apartment, especially for the previous six months. This also demonstrates the importance of evidence preservation. Therefore, we ask that you safely preserve, archive and protect any and all materials and evidence related to Mr. Goodman and this apartment.”

I am in receipt of an email from Jason Goodman dated December 1, 2017 in which Mr. Goodman states, “The anonymous individual sending these messages under the name ‘Spoliation Notice’ is believed to be David George Sweigart a mentally disturbed person who resides in Mt Shasta CA and has been harassing me over the internet for the past six months. Please disregard the message and / or assist me in prosecuting this individual for cyber harassment.”

Rudimentary internet research indicates that “David George Sweigart”, aka “Dave Acton”, is the brother of “George Webb”. <https://www.youtube.com/watch?v=AjGAo20bW8s>. “George Webb” is an individual who is or was associated with Jason Goodman. Mr. Webb, aka “George Webb Sweigart”, is a witness in the Virginia Litigation. See <https://www.youtube.com/watch?v=CS0GZaR6b6U&feature=youtu.be>.

My clients are not involved in any way in any dispute between Mr. Goodman and David George Sweigart. However, I join in Mr. Goodman’s request that you disregard the “Evidence Preservation Notice”, as it has absolutely nothing to do with the Virginia Litigation.

Call or email me if you have any questions at all about the Virginia Litigation or my email. I am copying my colleagues Johan Conrod and Terry Frank at Kaufman & Canoles in Richmond,, Virginia, who represent Defendant, Patricia A. Negron, in the Virginia Litigation. Feel free to reach out to either Johan or Terry to discuss the matter.

If you verify or determine the identity of the sender of the fake email, please provide it to me so I can advise the District Court here in Virginia.

Dave,

No reasonable person would take legal threats from an anonymous email address seriously. Your claims are as absurd as your protracted harassment campaign. I run a subscription based video service. You are the one protecting charity fraud and RICO. Each email you send increases your legal liability. Cease and desist from this harassment immediately. You are only making this worse for yourself. You are a menace to the public and a danger to yourself. Seek help.

Subject: Re: Continued litigation hold duty for electronic records in RICO civil suit

As a matter of interest to the military, law enforcement and government officials copied on this message, the anonymous sender is David George Sweigert. This individual has been spearheading a persistent harassment campaign against me for the past 12 months. **I believe he is motivated to do this because of my journalist endeavors to reveal criminal activity that I believe he and his associates are involved in.** He is actively attempting to engage in two baseless, frivolous civil suits against me and has made multiple false statements in court submitted documents to do so.

He has made over 400 harassing, seemingly psychotic videos antagonizing and defaming me, naming me by name and falsely accusing me of a wide range of crimes in publicly posted videos with thousands of on line views. He is actively attempting to ruin my public reputation with lies and defund my business by harassing my associates and patrons.

In addition to suffering from what appears to be obvious mental illness, he is a sexual deviant, publicly admitting to wife swapping with his own brother George Webb Sweigert, also copied on this message.

David Sweigert lacks the confidence in his "information" to send a legitimate email from either his own address or a lawyer and opts instead, to use this anonymous "Spoliation Notice" account.

The bizarre irony here is that David Sweigert is actively and persistently engaged in spoliation of evidence including his harassing videos. I have preserved not only all video, email and other electronic activity I have engaged in for the past year, I have also preserved his harassing emails, videos and other communications. Just this past month, when he brought his frivolous civil suit in a poor attempt to frame me for a bomb hoax staged by his brother and their associates, I posted hundreds of his harassing videos to YouTube as evidence of his activities. Within hours, David Sweigert aggressively acted to interface with YouTube and have the videos removed.

I have done nothing of the sort. His most recent email, to which this is a response, is only more evidence of his persistent, ongoing harassment.

In my personal opinion he is a dangerous, mentally unstable menace and should be prosecuted for these actions. He has deliberately hidden any home or business address complicating the process of obtaining a restraining order against him.

I would welcome contact from any of the government, military or law enforcement officials copied on this email so I can share my evidence and hopefully gain your assistance in bringing the Sweigert bothers to justice. **The Sweigert brothers are a danger to the public and possibly themselves and are engaged in what appears to be a range of criminal activities.**

Thank you for your attention, I sincerely apologize that Mr Sweigert insists on wasting all of our time in this manner.

Jason Goodman

Hire a process server Dave. While you are doing that, you should know I will do my very best to see you prosecuted for harassment, cyber bullying and whatever else the law will allow. You are a menace to the public, a danger to yourself and others, a disgrace to the military (if in fact you ever served, where is that DD214?) and very likely criminally insane. Your email below constitutes continued harassment. You have been instructed not to contact me or publicly speak about me. You have submitted false statements to the Federal Court.

Colin,

I am very sorry that you and your company have been subjected to the repeated harassment of David Sweigert. I've had a very good experience with Patreon, and in my view obviously, your company has done nothing wrong. Mr. Sweigart has been involved in a persistent harassment campaign against me for more than one year. Initially I thought it was driven by jealousy or other factors that drive Internet trolls, but it has become clear that Mr. Sweigart is unusually persistent. He claims to be a military veteran and a contractor to the department of homeland security, but I have seen no evidence of this. I suspect he works for some sort of independent firm that is working to protect various criminals whose criminal activity (including charity fraud and crypto currency ponzi schemes) my journalistic endeavors continue to expose. I have extensive evidence to support these statements that I would be happy to share with you.

I am interested in speaking with you about how we might work together to put an end to Mr. Sweigart's harassment. I believe it's criminal, and now that he has threatened Patreon with a civil suit I wonder if you'd be interested in having a conversation about how we might strategize and cooperate to illuminate this mutual nuisance.

Colin,

I am sincerely sorry you are being subjected to this. I am writing to advise you that on November 10, 2020 Andrew Cuomo signed into law a new, much more powerful anti-SLAPP statute that I will be using to respond to Mr. Sweigert. This new statute has the power to stay all discovery in the matter and hopefully will get it dismissed entirely.

New York's New and Improved Anti-SLAPP Law Effective Immediately

Advisory

By [Theresa M. House](#) [Kyle A. Schneider](#)

On November 10, 2020, Governor Andrew Cuomo signed into law an update to New York's anti-SLAPP law that dramatically expands protections afforded to defendants in lawsuits brought based on the exercise of free speech rights, and which significantly increases the risks to potential plaintiffs bringing defamation and other speech-based claims in New York.

What Is an Anti-SLAPP Law?

The term "SLAPP" is an acronym for "Strategic Lawsuit Against Public Participation," and the goal of an anti-SLAPP law is to deter these types of lawsuits—lawsuits that are filed not to vindicate a fair and reasonable legal claim, but to punish or harass a defendant for participating in public life. Defendants facing so-called "SLAPP suits" can include not only journalists and traditional media/entertainment organizations, but also individuals and companies in other industries that speak on issues of interest to the public—on social media, in marketing, or any other form of participation in the marketplace of ideas. The "strategy" of a SLAPP suit is to saddle the defendant with such

burdensome litigation costs that it chills, ceases, or retracts its speech. Anti-SLAPP laws seek to deter SLAPP suits by expanding the legal protections available to defendants targeted by such suits, and by imposing costs on the plaintiffs that bring them.

What Has New York Done?

Although New York already had an anti-SLAPP law on the books, adopted nearly 30 years ago, the old version of the law applied only narrowly to lawsuits brought by plaintiffs who had sought public permits, zoning changes, or other similar entitlements from a government body, against defendants who had reported on, ruled on, or challenged the plaintiff's petition to the government body. It generally did not apply to speech by journalists in traditional media outlets or speech by anyone on social media concerning the issues of the day.

New York's new anti-SLAPP law will now extend, far more broadly, to lawsuits based upon "any communication in a public place open to the public or a public forum in connection with an issue of public interest" or based upon "any other lawful conduct in furtherance of the exercise of the constitutional right of free speech in connection with an issue of public interest" Because the statute also states that "public interest" should be "construed broadly, and shall mean any subject other than a purely private matter," the new anti-SLAPP law should be expected to sweep up political and social discussions, as well as entertainment productions.

What Protections Does New York's New Anti-SLAPP Law Contain?

In total, 30 states and the District of Columbia possess some form of anti-SLAPP legislation, but not all anti-SLAPP laws are created equal. With the amendments to New York's Civil Rights Law §§ 70-a, 76-a signed into law by Governor Cuomo, New York joins about 18 other states that have adopted robust anti-SLAPP protections that apply to speech about public issues. A speech-protective anti-SLAPP regime will allow a targeted defendant to escape a bad-faith SLAPP suit

quickly and without incurring high legal costs or invasive discovery. As amended, New York's anti-SLAPP law does exactly this.

FORMER DOJ LAWYER CONVENES 'CITIZENS GRAND JURY' TO INDICT U.S. OFFICIALS

In a recent column published on the far-right RenewAmerica blog — one of several online publications to which he contributes — Larry Klayman denounced “Muslim-in-Chief, Barack Hussein Obama, and his leftist Jewish government comrades and partners in crime.”

Soon after that, Klayman, a Jewish convert to Christianity who says his heart “throb[s] in shame” over the crimes of the “felonious” liberal Jews who have committed “the moral equivalent of ethical and religious bankruptcy” by aligning themselves with the Obama administration, convened a “citizens grand jury” to indict President Obama, former Secretary of State Hillary Clinton, Attorney General Eric Holder, Supreme Court Chief Justice John Roberts, and other officials for supposed misdeeds against the American people.

Klayman should know better. A former prosecutor for the U.S. Department of Justice, he once worked on cases whose outcomes actually mattered. Today, though, he’s best known for filing lawsuits against the likes of Fidel Castro, Osama bin Laden, Dick Cheney, Bill Clinton and Facebook’s Mark Zuckerberg.

Ridiculous lawsuits are nothing new for Klayman. As the head of Judicial Watch, **an ardently self-righteous and ultraconservative nonprofit organization**, he sued the Clinton administration more than a dozen times, complaining among other things that special prosecutor Kenneth Starr wasn’t aggressive enough in pursuing the administration.

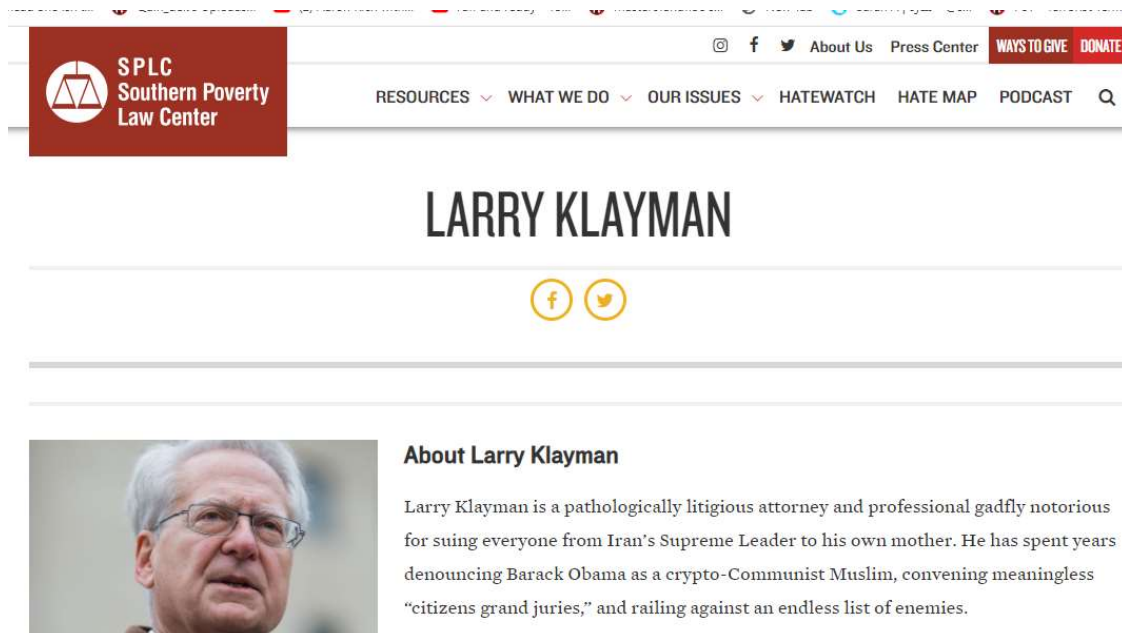

Convening so-called citizens grand juries is a newer hobby for Klayman, one he's taken to with gusto. In 2011, after the U.S. Supreme Court upheld the Affordable Care Act, or "Obamacare," he declared his intention to get citizens to "indict" Roberts and Justice Elena Kagan for supposedly violating their oaths of office. In a typically self-aggrandizing press release, he said his power to convene this body stemmed from the Fifth Amendment, which, according to him, was designed to "hold corrupt judges and politicians accountable under criminal laws, thereby hoping to avoid another revolution as occurred in 1776."

Elsewhere, using language and logic taken right out of the antigovernment "sovereign citizens" movement, Klayman has contended that citizens grand juries are a "common law" right that predates the Magna Carta. These days, as the former DOJ official knows all too well, real grand juries are convened only by prosecutors officially empowered to do so. Members of the antigovernment "Patriot" movement who believe themselves exempt from the confines of established legal procedure frequently use pseudo-legal "common-law courts" to indict "enemies" and adjudicate cases among themselves.

Klayman's May indictments accuse the president and other officials of involuntary manslaughter related to a deadly attack on Navy SEALs that followed the identification of SEAL Team 6 as the unit that killed Osama bin Laden, and of endangering national security by telling reporters about U.S. capacity to carry out Internet attacks. They additionally target IRS officials for allegedly singling out conservative groups for extra scrutiny, and Roberts for not somehow forcing Kagan to recuse herself from certain Supreme Court deliberations.

Klayman's is not the first bogus "citizens grand jury" to indict the president. In 2010, Pastor James David Manning of Harlem's ATLAH World Ministries Church organized an entire "trial" after members of an organization called American Grand Jury "indicted" Obama for supposedly conspiring with Columbia University, the president's alma mater, to conceal the "fact" that the president is not a natural born citizen and is therefore ineligible for office.
